4

WE ADD YOUR DESIGN TO A TEMPLATE

List out all design specifications you need for your bag and the Califire team will create a template for you!

WHAT ARE DIE - CUT BAGS?

Die-cut Mylar bags are 100% customizable in:

- ✓ Shape - Design your bag in any form
- ✓ Size - From mini samples to large pouches
- ✓ Design - Matte or gloss finishes, metallic effects, windows...

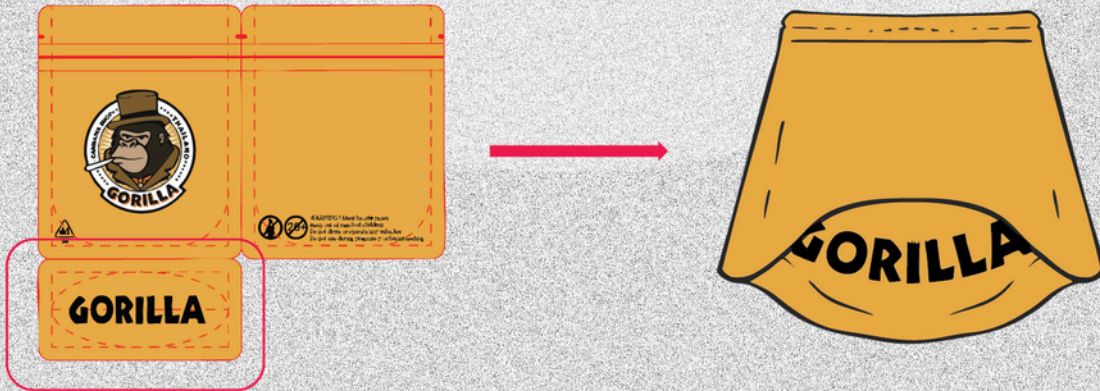

Also make sure to specify and consult about how die-cut bags are to be opened

5

WOULD YOU LIKE A GUSSET?

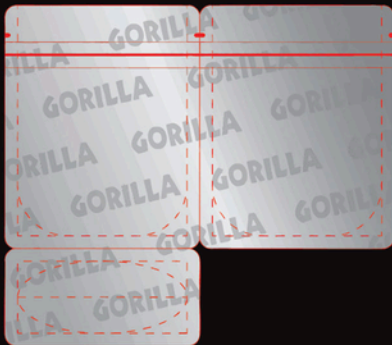

Gusset Mylar bags are flexible pouches with expandable sides or bottoms (called gussets) that **provide extra space and allow the bag to stand upright.**

6

WOULD YOU LIKE A CUSTOMIZED INSIDE LINING?

Template for inside of the bag

WHAT IS A INSIDE LINING?

The inner lining of a Mylar bag features high-barrier materials—like aluminum foil or metalized film—that **seal in freshness and block out oxygen, moisture, UV light, and odor.**

customers will remember the moment they open the bag—not just for what's inside, but for the premium, detail-focused packaging your brand deliver
